Electric Underblanket

Cosy fleece | Double size | With additional foot warmer

Our feet reflect the health conditions of our bodies. When your feet are warmed up, the warmth circulates your body and keeps the body warm. With additional foot warmers, Wellcare provides the best solution for people whose feet are usually cold and helps them have a better sleep.

Also, this product comes with 2 controllers which allow you and your loved ones to control the temperature you desire individually.

Moreover, 4D DWF technology is utilized in this product as well. With this innovative design, the warmth circulation will not only warm's one's body but create a comfortable bed climate.

4D DWF brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology
Brings you warmth dynamically
