Mobile Heating Belt

3-in-1 | Cordless

No matter if you are at home or outdoors; and/or alone or with friends, you can always enjoy and be surrounded by dynamic warmth with Wellcare's 3-in-1 mobile heating belt.

With a user-oriented design, detailed tailoring and sophisticated fabrication, Wellcare 3-in-1 mobile heating belt is dedicated to protecting the waist area, which helps stimulate the circulation in areas of tense muscle on the lower back so you can stand up straight with ease. The specially-designed heating module which is equipped with 4D DWF technology is used in this mobile heating belt. 4D DWF circular holes provide 360 degrees air circulation, have excellent breathability, and distribute heat evenly.

A wonderful combination of mobility and innovation allows people to bring their own dynamic warmth wherever they go.
