Mobile Heating Cushion

2-in-1 | Cushion & Throw

Whether you're traveling or at home, Wellcare 2-in-1 mobile heating cushion is your best friend that can provide you with the warmth you desire at any place, any time.

The specially-designed heating module which is equipped with 4D DWF dynamic warmth flow technology is used in this mobile heating cushion. 4D DWF circular holes provide 360 degrees air circulation, have excellent breathability, and distribute heat evenly. Moreover, this product's 2-in-1 function makes it easy to take it on the go and store for everyday use:

- can be used as a heating cushion
- or a throw with the central heating area

Furthermore, this heating cushion is made by 2 materials: cosy fleece for heat accumulation and microfleece can be cleaned easily.

4D DWF Technology
Brings you warmth dynamically
