Soothing Heating Pad

All revolutionary creation comes from a simple belief, care around you. Wellcare soothing heating pad provides snugness you need. The topside of the cover is made with cosy fleece for the best heat accumulation and the underside of the cover is made with mesh for the best heat radiation. This heating pad provides you with the greatest relaxation and comfort.

Moreover, 4D DWF technology is utilized in this product as well. With this innovative technology, this heating pad provides you with the greatest relaxation and comfort.

4D DWF brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology
Brings you warmth dynamically
