Electric Underblanket

Comfort fleece

Wellcare underblankets may relieve the stuffiness people usually experience and reduce the rate of people kicking off blankets while sleeping. And it comes in various colors and meticulously selected materials for your to choose to create the optimal bed climate. With top-side of the blanket being comfort fleece, it gives you the snuggest comfort while providing durability and stain resistance.

Moreover, 4D DWF technology is utilized in this product as well. With this innovative design, the warmth circulation will not only warm's one's body but create a comfortable bed climate.

4D DWF brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology
Brings you warmth dynamically
