Electric Underblanket

Eco fleece | Double size

Wellcare underblankets may relieve the stiffness people usually experience and reduce the rate of people kicking off blankets while sleeping. This double-sized underblanket comes with 2 controllers which allow you and your loved ones to control the temperature you desire individually. With top-side of the blanket being eco fleece, it presents itself with its true original color, touch, and feel.

Moreover, 4D DWF technology is utilized in this product as well. With this innovative design, the warmth circulation will not only warm's one's body but create a comfortable bed climate.

4D DWF brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology
Brings you warmth dynamically
