## Soothing Heating Pad

Patchwork weighted cover | Better body-contouring

Wellcare soothing heating pad with a weighted cover provides a warm snugness which fits your body contour naturally.

When the warmth is generated, it interacts with air and moisture and is delivered through visible holes to your body.

Wellcare patchwork design, it symbolizes a connection between the past and present, tradition and modern, heritage and innovation; and delivers comfortable warmth in each exquisite stitch. Unwind and recharge amidst life's chaos. Embrace tranquility for a happier journey ahead.

4D DWF technology is utilized in this pad and brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology  
Brings you warmth dynamically
